

ROLE PROFILE

Post Title: Procurement Lead Officer

Directorate: **Finance and Business Hub**

Reports to: **Senior Procurement Lead Officer**

Direct Reports: No

Role Summary

WMCA is committed to building a healthier, happier, better connected and more prosperous West Midlands. This is our vision. Our Values are central to how we work and interact with our wider partners and stakeholders. We encourage our colleagues to

Be **Collaborative**, Be **Innovative**, Be **Driven** and Be **Inclusive**.

The role will be responsible for leading and managing complex and strategic collaborative and local procurement projects to ensure their effective delivery in line with customer requirement and timescales.

What will you be doing?

- Provide innovative strategic advice and develop and implement appropriate procurement sourcing strategies that align to business priorities in order to deliver best value, innovation and robust contractual arrangements.
- Develops and maintains appropriate relationships with internal customers, key stakeholders, and public, private and third sector suppliers; develops relationships with partner authorities and other government bodies where appropriate.
- Actively searches for, and promotes collaborative, lean and innovative working practices across the WMCA landscape
- Raise the profile of procurement through the increase of cross-functional team working and networking with internal customers and stakeholders.
- Management of the procurement portfolio for allocated support areas, specifically leading and delivering results on the Adult Education Budget (AEB), Housing and Regeneration, and Fuel Poverty and Regional Retrofit Projects.

- Support mobilisation post contract award by leading on specific contract management processes, supplier relationship management, ongoing performance management and specific contract implementation meetings and processes (including grant funding processes).
- Ensures all tenders instructions provided to suppliers are clear and transparent, specifically for complex tenders, ensuring that providers are clear on how funding and contracts will be awarded and monitored
 - Ensure appropriate Governance is in place by:
 - Ensure compliance with the WMCA Constitution, WMCA Assurance Process, Standing Orders, Financial Regulations, Social Value Policy and Purchasing Procedures and Contracts Manual through the provision of appropriate advice and guidance to internal customers and key stakeholders;
 - Actively promote best practice procurement techniques within the stakeholder community to enhance a value for money culture;
 - Provide advice and guidance relating to procurement regulations. Identify key areas of risk to potential procurement strategies.
 - Ensure that appropriate audit trails are established per policies and procedures for all procurement-related activity, including adherence to the WMCA Social Value Policy and the Contract Procedure Rules set out within the WMCA Constitution.
- Work with Directorates to ensure that there is always a current and appropriate procurement strategy and delivery plan for forthcoming works, including leading on all procurement plans and strategies.
- Ensure appropriate systems are fully utilised ranging from inviting quotations/tenders to raising through to payment of invoices by:
 - Promoting the use of the appropriate procure-to-pay systems for activities; and
 - Promoting use of the eTendering portal for all procurement activity; and
 - Providing advice and guidance on the appropriate use of systems
- Develop and maintain appropriate relationships with internal customers and key stakeholders through attendance at appropriate meetings.
- Ensure contract databases are developed and kept current for area(s) of responsibility, including measuring supplier KPI's and ongoing performance management
- Liaise with internal customers, key stakeholders and members of the Procurement team to:
 - Identify potential opportunities for aggregation of demand, consolidation of goods and services and the supplier base and explore collaborative working opportunities;
 - develop and implement appropriate strategies that seek to ensure:
 - best practice tools and techniques and market engagement methods are implemented (e.g. supplier preferencing, supply positioning);
 - security of supply;
 - best value is achieved
 - Innovation is embraced
