# **Purpose of the Post**

The Director of Bus Service Reform leads the implementation and delivery of the regional wide bus reform programme leading to the regulation of the bus industry in the West Midlands, aligned with WMCA policy, National Policy and Regional priorities and ambition. The role includes evolving, leading and delivering the programme to implement a regulated bus system across the West Midlands region in line with the programme of bus reform agreed by the WMCA Board. The bus network is the lifeblood of the West Midlands regional integrated transport system which enables access to jobs, education, health and supports the economic outputs of the West Midlands and brings social equality across the region.

The role provides leadership for TfWM and therefore the WMCA on the delivery of joint commitments made in partnership with TfWM and WMCA directorates, local authorities, transport providers, stakeholders, partners and Government, to support bus reform including operational performance, fleet, depots, resources and customer experience associated with an integrated transport system.

The postholder will also need to implement and embed new ways of working, ensuring clear communications to stakeholders, senior managers and employees across the organisation.

The postholder will drive the delivery of bus reform and work very closely with other members of the TfWM Leadership Team and engage with the Director of Integrated Transport Services, Director of Network Resilience. Director of Delivery (Capital) and the client teams within transport who will be the future owners of the network delivery and performance.

### **Accountabilities**

- Lead the Bus Reform Team (up to 40 FTE) in developing and delivering the programme of bus reform including the key tasks for delivering franchising and associated tasks.
- Advise and support the executive director in the implementation of the programme and delivery status of the Bus Reform Programme and its progress.
- Work with the Bus Network, Network Resilience and Delivery Directorates and WMCA teams, Finance, Legal, digital, Data and Digital and Procurement teams to ensure that the programme delivers the requirements for the bus network as it transitions from a deregulated network to a regulated network.
- Ensure bus reform deliverables are suitable to be handed over to client teams on completion of delivery and work with sponsor teams throughout delivery.
- Ensure robust contract development, management and procurement processes to support franchising in line with the timescales set out in the franchising rollout programme.

- Work with the Director of Integrated Transport services, the Director of Network Resilience and the Delivery Director to ensure the delivery outputs enable the delivery of a reliable Bus Services Network across the region.
- Undertake a pivotal role in the strategic influencing of regional bus operators and their commercial network, ensuring commercial decisions and behaviours complement and support our tendered service network.
- Ensure that Local Authorities, leaders, Executive, WMCA and TfWM teams are engaged on the process of programme delivery for Bus Reform.
- Oversee the planning, execution, monitoring, and evaluation of the bus transformation project, ensuring that all milestones and deliverables are met on time and within budget.
- Designated 'budget holder' with overall accountability for a revenue and/or capital budget or a group of budgets

# Responsibilities

## Strategic

- Direct the development and implementation of multi-faceted programmes of significant size, change and complexity for one of WMCAs largest change programmes which represents a major step change in the delivery model for transport in the region
- Lead the implementation and delivery of the bus reform programme for the West Midlands bus network, implementing the agreed options of the WMCA Board and the West Midlands Mayor.
- Drive the cultural revolution needed to underpin the radical change of bus reform through WMCA and partner
  organisations that assist in delivering a holistic single identity to the integrated public transport system across
  the West Midlands.
- Provide strategic, effective, and highly visible leadership in developing and managing the bus reform
  transformation programme across the organisation, taking ownership of the delivery of the portfolio of
  projects and workstreams, forging collaborative relationships and ensuring learning and innovation to enable
  the organisation to adopt a new delivery model
- Act as a trusted advisor in providing strategic guidance to senior leadership on bus reform related matters, guiding senior colleagues on the financial impact and viability regarding proposals for future investments identified as part of the bus reform transformation work across the organisation, and leading on the development of business cases as applicable
- Review existing arrangements to create a fit for purpose governance and decision-making structure around bus reform data and intelligence management and its application across the organisation which supports the business plan and financial management and anticipated outcomes
